

INDIANA JUDO, INC.

**PROCEDURES AND REQUIREMENTS
FOR
DAN RANK PROMOTIONS**

Introduction:

This document was written to describe the promotion procedures and to prepare you for your Dan test. If you have any questions feel free to ask any member of the Indiana Judo, Inc. Promotion Board for assistance. We will make every effort to administer promotion examinations twice a year, once in the spring and once in fall. After the Promotion Committee tests/reviews an applicant, and the applicant passes, we will send the Recommendation for Promotion to the USA Judo Promotion Committee. The USA Judo Promotion Board automatically accepts our recommendations for ranks up to and including Sandan. The USA Judo Promotion Board makes the final promotional decisions for the ranks of Yodan and above.

Test Requirements:

Indiana Judo, Inc. Dan rank promotional tests are given in three segments:

- 1) Demonstration of Techniques
- 2) Kata Demonstration
- 3) Written Examination

Demonstration of Techniques

The Gokyo no Waza as the standard syllabus of Judo throws originated in 1895. From 1920 to 1982 the Kodokan Gokyo no Waza was made up of 40 throws in 5 groups (Shodan requirement). Around the 100th anniversary of the Kodokan (1982) a group of 8 traditional Judo throws (Nidan requirement) were recognized that had been taken out in 1920, and 17 newer techniques (Sandan Requirement) were recognized as official Kodokan Judo throws (called the Shinmeisho no Waza). In 1997 the Kodokan added the last two additional Judo throws to the Shinmeisho no Waza. The following are the only throwing techniques (*nage waza*) currently recognized by the Kodokan.

Sample Individual Recommendation for Promotion

(8 Pages) The following was for Promotion to Godan

James Branson Brief Personal History

In 1977 I started Judo at the age of twelve with Mr. Lowell Slaven at the Alexandria Community Judo Club.

We traveled to at least two tournaments (and usually more) a month in the tri-state area. I competed at my first Junior Nationals in 1977 and competed and placed every year through 1981. In 1983 I joined the US Coast Guard and was stationed in Kalamazoo, Michigan where I continued my Judo studies. My brother John and I were selected to represent the Navy Judo team in Florida in 1985.

I returned to Indiana in 1987 and obtained my Bachelor's Degree at Ball State University. During this time I competed in the Collegiate Nationals all four years. At San Jose State I placed first in the 189 lb. and under division and at each subsequent Collegiate National Championships I placed second.

Today, I still compete in Masters competition as well as coaching and refereeing. From 1998 through 2002 I was the assistant Judo instructor at American Martial Arts. During this time I also attended school full-time and earned my Masters Degree. In 2003 I became co-instructor with my brother at the Anderson YMCA Judo Club. At the present time we have over twenty students who actively compete at local, state and national tournaments.
